

What's been happening?

Maths Workshop

We were thrilled to see so many parents in school on Wednesday, attending our Maths workshop on **Times tables** and **Supporting your Child at Home**. Mrs Griffiths, along with the other teachers, shared ideas and resources on how to develop your child's core Maths skills at home.

We hope those who attended found the presentation and resources useful. If you have any more questions on supporting your child's learning, please do not hesitate to speak with your class teacher or Mrs Griffiths.

Due to the overwhelming interest and success of the workshop we are planning on holding another one in Term 4 at a different time of day for those who could not attend.

Rev Halsted Assembly

On Wednesday, Reverend Halsted came into school to lead an assembly all about the story of Daniel, a young boy who stuck up for what he believed in and triumphed over evil.

We would like to thank him for his continued enthusiasm and for giving up his time to come and see us.

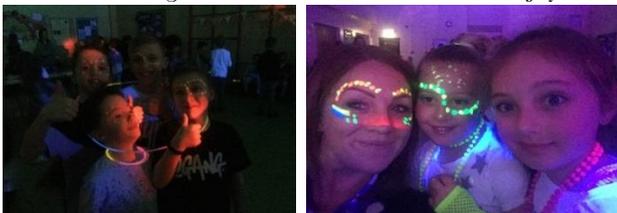

Road Safety Show for KS1

KS1 enjoyed their Road Safety Roadshow this week. Thank you to the South Glos Road Safety Team for organising it.

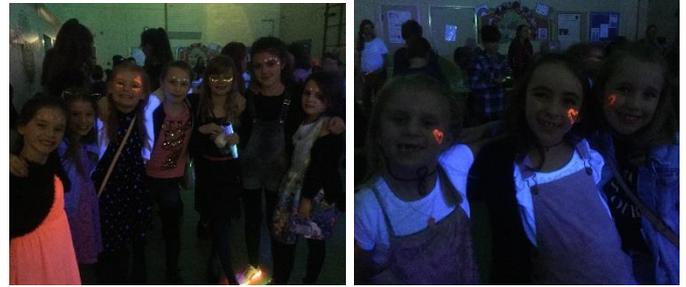

Glow Disco

On Thursday Evening the Friends of Redfield Edge held a disco for the children in KS1 and the children in KS2. The latest tunes along with sweet treats and refreshments made for a fun filled evening which the children seemed to enjoy.

The glow theme was great and the face paints added to the fun.

Thank you to the members of the Friends who organised the event for the children and **thank you** to any parents who came along to help set up, sale refreshments or pack away. We couldn't do it without you.

Word of the Week

Hazel	thief	giant
Pine	hemisphere	ariel view
Willow	conspiracy	climate
Beech	legionary	condense
Maple	controversy	suffragette
Oak	merciful	parched

For your Information

Redfield Edge v Wick

After school today a team of Year 5 and 6 boys will be playing in the first school football match of 2018. The boys have been very excited about taking on Wick and hopefully coming away with a win. Full match report in next weeks newsletter.

Creative Arts Competition

Every Year Bitton Parish Council hold a Creative Arts competition for local schools to enter. Redfield Edge has taken part in this competition over recent years and has always produced a number of winners in each of the age categories. Last year the theme was 'Monster Mayhem' and the children produced some great work. This year, the theme is 'Ugly Bug Ball' and the children have been invited to take part.

For more information about the different projects that the children could do and about the age ranges, dates etc please look out for the letter coming out shortly.

Curriculum information

For those parents interested in knowing more about what the children are learning in their lessons throughout the term, please visit our school website.

www.redfieldedgeprimary.co.uk

Curriculum maps outlining the key learning intentions are posted on our website on a termly basis. You can find them in the Class pages.

Twitter

We have had a few technical issues with twitter which has meant less tweets than normal! We are now back on track so if you wish to see what is happening in school please follow us.

@RedfieldEdge @Deputy_RE
@HollyClass_RE @HazelClass_RE
@PineClass_RE @WillowClass_RE
@BeechClass_RE @MapleClass_RE
@OakClass_RE

Congratulations!

Collecting your Child

If for any reason the person expected to collect your child is unable to, please contact the office to let the school know. We are unable to let children go home with other family members or friends without prior knowledge. Simply call the office before 3 o'clock and give them the name of who is collecting your child.

Mrs Robinson

OFSTED style questionnaire January 2018

Thank you very much for completing the survey. There were 67 returned surveys, which equates to approximately a 40% return. The survey confirmed many areas of strength and some areas for development.

- 100% Agree/strongly agree - My child feels safe in school.
- 100% Agree/strongly agree - My child is making good progress in school
- 100% Agree/strongly agree - This school meets my child's particular needs
- 100% Agree/strongly agree - This school ensures my child is well looked after
- 100% Agree/strongly agree - My child is taught well at this school
- 100% Agree/strongly agree - This school helps my child to develop skills in communication, reading, writing and mathematics
- 100% Agree/strongly agree - This school deals with any cases of bullying effectively
- 100% Agree/strongly agree - This school responds well to my concerns
- 100% Agree/strongly agree - This school keeps me well informed
- 100% Agree/strongly agree - I would recommend this school to another parent.

Areas for development

- A buddy system at playtimes/friendship bench.
- More information about what my child is doing in class.
- More help to support my child's learning.
- Netball.
- Differentiated spellings.
- Parents informed of curriculum coverage in advance to enable them to support their child's learning.
- Fewer texts.
- Parents to attend Year 6 Leavers service.
- Red texts need adapting to follow behaviour policy.

Thank you for these constructive ideas and comments. We will be looking to adapt our practice using these ideas over the next six months.
