

What's been happening?

Art Exhibition

On Tuesday Redfield Edge held its very own art exhibition in the hall organised by the Friends. Every child in school created a picture for the exhibition inspired by the theme 'Mother Nature'.

A range of media was used to create work based on space, underwater creatures, abstract portraits, patchwork landscape, African animals and hot air balloons exploring the skies.

Parents were invited into the hall on Tuesday after school to look at all of the entries.

Local councillor **Paul Hughs** and **Becky Remaine** from Chris Skidmore's office were invited into school to choose one piece from each class to receive a prize. They found selecting one picture per year group a real challenge as there were so many excellent entries.

Congratulations to the winners below!

Each winner took home a chocolate egg and everyone who took part was given a chocolate lolly or a bag of sweets. **Well done to all of the children for their efforts. Great job!**

Year 1 Class Assembly

On Thursday the children in Hazel Class took us on a journey through space with their fantastic assembly. The children shared, with confidence, their learning over the term.

We listened to some of their writing, saw pictures of their scientific investigations and looked at their art work. It was a great assembly that was very well supported by the children's families and friends. Thank you Miss Kelly and the other adults in Hazel Class for all of their hard work.

Redfield Edge v Cadbury Heath

Well done Redfield Edge football team for their double win over Cadbury Heath Primary on Tuesday after school. The squad of ten boys from Years 5 and 6 played very well over both matches. Goals from Loui and Jacob secured a 3-0 win in the first match, while in the second match Ben, Jacob and Liam scored to achieve a 4-1 win. ***Well done to all of the boys - a fantastic job!***

Willow Class Authors

The children in Willow Class have been keen to share their non-fiction books created in class all about being healthy.

On Thursday morning Year 3 spent time with the children from Holly Class reading their work and sharing their learning. Very grown up! **Well done Willow Class!**

Pine Class Cake Sale

On Wednesday after school, Pine class held their very own cake sale to raise money for their class.

The children had been practising using money throughout the week in their maths lessons so it was great watching them put these skills into practise.

Thank you to all of the parents who stayed behind to help. Due to lots of cakes being left over, Pine Class held a second cake sale on Friday afternoon. The total amount raised is still to be finalised but we do know that the children raised an incredible **£130.00** on Wednesday alone. **Great job!**

Buddy Reading

When opportunities arise we like to encourage the older children in the school to work with children in KS1. One way of achieving this is through buddy reading. On Tuesday the children from Maple Class (Y5) spent 20 minutes with the children from Pine Class (Y2) sharing story books and hearing each other read.

The children really enjoyed their time together and it was lovely to see the older children take on the responsibility of filling in the reading record book.

Assembly Team

We wish to **thank** Jan Hawkins and the rest of the assembly team for their time on Wednesday morning. The team lead an assembly all about Easter, re-enacting the events leading to Jesus' crucifixion.

Year 6 Sponsored Silence

This term the children in Oak Class collected sponsorship to stay silent for an entire day. The children vowed not to utter a word between 8.45am and 3.30pm.

The majority of sponsor money is now in and the class raised a fantastic **£802** which is going towards their trip to London in the summer. Whilst in London the children will be visiting the West End to see a show and taking a river cruise up the Thames. **Oak Class are well on their way to reaching their target!**

Any Spare Helmets?

Miss Turner was wondering if there were any families who may have a spare bicycle helmet that they would wish to donate to school. It would need to be the right size for pupils in Holly Class and be in good condition. Holly class now have **Wheely** Wednesdays and a few spare helmets would come in useful!

For your Information

School Money

You may have noticed some changes to our School Money website. When you go to www.schoolmoney.co.uk you will be redirected to the new eduspot website. To sign in, you need to select the Sign In button in the top right hand corner of the screen. A list will drop down and you need to select the Parent Login option at the bottom. This will then send you to the parent login screen as normal. Any problems please contact the school office.

Texts

If you receive a text message regarding arrears, it refers to money owed from the previous weeks. It does not include anything that is owed from the current week.

Bags2school

Our next Bags2school collection is taking place on Friday 4th May so please bear this in mind when spring-cleaning or sorting out your belongings. The more bags of donations we receive, the more money this will mean for the school. Thank you in advance.

New-Look Website

We have been busy redesigning our school website to give a fresh look and to enable compatibility with android devices so you can be up to date whilst on the go. The website address will remain the same and we are hoping that it will go live in the next few weeks. Watch this space!

Sport Relief

Thankyou to those of you who dressed in you sporty gear and donated a £1.00 to sport relief. We managed to raise **£159.35**. Thank you and well done.

Congratulations!
