

What's been happening?

Cookery Club

A group of children from KS1 have signed up for cookery club this term and took part their second cookery challenge this week.

In week one, the children made their very own margarita pizzas. They made and kneaded the dough themselves before adding the topping of mozzarella, cherry tomatoes and basil leaves. This week the children made sausage rolls. Squeezing the sausage meat out of the skin was fun and messy! The children sniffed a range of herbs from Miss Andrews' garden to select for their mixture and then use pickle to stick the pastry together.

Art Exhibition Update

The Art exhibition organised by the Friends last term was a huge success with **150** framed pictures sold to families and friends. The children thoroughly enjoyed taking part and the work produced was very impressive.

We wish to thank anyone who bought a framed piece and say

well done to all of the children who took part. We hope you enjoyed your chocolate treat!

All money raised will go towards our outside improvement project. More details of this project will be coming soon.

Discovery Club

We currently have eight children taking part in Discovery Club after school on a Thursday with Mrs Andrews and Mrs Ashbourne. The club aims to give the children opportunities to discover and apply new skills, problem solve and work together as a team. In the first week, the children created their own obstacle courses to challenge each other. This week the children built dens in pairs. The children are thoroughly enjoying themselves, as are the adults!! We do have spaces in Discovery if you are interested in joining up.

Mary Berry Eat your Heart Out!

Holly Class have been very busy today baking their very own bread rolls. The children have been reading the story of **The Little Red Hen** and were inspired to be just like him!

Once baked, the children enjoyed their creations topped with butter and jam.

Word of the Week

Hazel	sprout	seedling
Pine	adapt	cautiously
Willow	shadow	source
Beech	recycle	decompose
Maple	bio-diversity	conservation
Oak	gratitude	perplexity

For your Information

Fun Run

The Friends have put together a fantastic sponsored event again this year. Everyone really enjoyed the fun run last year so the organisers have gone bigger and better with a world

cup theme. The fun run will be held on **Friday 18th May 2018** at 1.30pm. Please look out for the letter and sponsorship form in book bags. We would love it if all children took part and helped to raise much-needed funds to make improvement to our

outside area.

Dragon Days

Preparations are underway for Year 3 & 4's summer production of *Dragon Days*. The story is about a dragon who terrorises a village, or so it may seem! Brave Tommy goes on a mission to save the village and finds out that you shouldn't judge a book by its cover.

The children are busy practising songs and lines for the performance, which will take place later this term. Date still to be confirmed. Watch this space!

Garden Help Needed

Hazel Class' beans and Pine Class' pumpkin seeds are now sprouting! We desperately need some parent help to clear the raised beds in the garden ready for planting over the next couple of weeks. If you are able to help please speak with Mrs Sheppard or call in at the school office to register your interest.

Congratulations!

Dates for your diary!
