

What's been happening?

Assembly Team

On Wednesday morning, we had a visit from the assembly team led by Jan Hawkins. Thank you to Jan and co for their time.

We The Curious

Willow Class were very excited on Thursday as they were off to Bristol to visit the exploration park previously known as

@Bristol. The children have been learning about light, how it is made, how shadows are formed and rainbows created. This trip gave them the opportunity to take part in a workshop led by a member of the team as well as explore the vast amount of different experiences linked to all things science!

'It was really interesting I enjoyed it very much.' Harry Year 3

Edgelets

On Friday morning we welcomed a huge number of pre-school children into school for Edgelets. We were pleased to see many of the pupils who will be joining us in September as our new Holly Class.

This week the theme of Edgelets was the Jungle with a range of activities linked to the story 'Giraffes can't Dance'

For your Information

Walking Roots (21st - 25th May)

Redfield Edge will be taking part in the five day walking challenge in the last week of term. The aim is to get children active and think about their walking habits. Each child will be given a walking challenge activity diary where they can record their progress and complete the activity set each day. More information on what to do will be sent out shortly so please look out for it.

Visit www.livingstreets.org.uk/wtsw18 for more information

Word of the Week

Hazel	identity	vows
Pine	exoskeleton	ceremony
Willow	reflection	celebration
Beech	environmental	promise
Maple	biodegradable	loyalty
Oak	pessimistic	_____

SATs week

Next week is SATs week for Year six. The children in Oak Class will be completing a range of assessments Mon-Thurs consisting of reading, maths arithmetic, maths reasoning and SPAG tests. The children have been working incredibly hard in preparation and we know they are going to make us all proud. Good Luck Oak Class.

Thank you the Friends in advance

The Friends of Redfield Edge will be providing a special SATs breakfast for the children in Year 6 throughout the next week. This helps the children, who could be feeling a little nervous, the opportunity to get into school early, relax with their friends whilst enjoying a hearty breakfast that will hopefully fuel them for the day.

We would like to thank the Friends and also the parents who come into school early to set up, serve and pack away the breakfast. You are a great support.

Camp at Heatree House

Following a week of assessments Oak Class will be escaping along with Mrs Griffiths, Mrs Brickell, Miss Davies and myself for the week on Dartmoor. The children will be taking part in a range of fun and adventurous activities and will complete a number of challenges to earn their NOLA (National Outdoor Learning Award).

Keep an eye on Twitter for photos and regular updates.

Royal Wedding Picnic

On Friday 18th May we will be hosting a Royal Wedding Picnic. There will be no hot dinner available on that day but those who wish to have lunch from the school kitchen will be provided with a celebration picnic box. On that morning the children will select either packed lunch from home or picnic box.

- Selection of summer sandwiches
 - Sausage roll
 - Cocktail sausage
 - Pizza finger
- Lemon wedding cake
