Week beginning 18th June 2018

'Achieving now in preparation for the future'

What's been happening?

Summer Fayre

On Friday we had our annual Summer Fayre after school. It was **fantastic** to see so many of you there.

The inflatable park was a huge success and the children loved bouncing around with their friends.

Well done to Hazel Class for their excellent performance. The children are part of the 'Infant Song Project' this term with the support of South Glos Music Hub. They will be performing their pirate songs again at Cherry Gardens Primary School on 6th July. **Good Luck!**

Stalls such as Beat the Target, Face Painting, Hook a Duck, the Teddy Bear stall and Crafts entertained the children and gave them the opportunity to win prizes.

We would like to say a huge thank you to Kelly Woodruff and the other members of the friends who organised the event. It takes hours of hard work and we really appreciate your time and commitment to our school.

The Fayre raised a fantastic **£ 1265.00** for our school. This money will go towards developing our outside area over the summer and autumn term.

French Club

French Club started this Monday. Those who have signed up to take part met Madame Lewis who will be teaching them over the term in their lunchtime sessions. The children will develop their French vocabulary as well as their conversational language.

Les enfants ont apprécié leur première session. Un bon début, bravo!

Word of the Week

Hazel	enchanted	endangered
Pine	aerial view	navigate
Willow	fertilisation	pollination
Beech	purify	nonsense
Maple	international	integration
Oak	periphery	inheritance

Beech Class Visit Ashford Water Treatment Plant

On Tuesday, the children in Beech Class set off to Bridgwater to visit the Ashford Water Treatment Plant. The children visited the reservoir and toured the plant to learn how water is cleaned. They then took part in a water-testing workshop led by Sue, a member of staff from the treatment plant.

Refreshments went down a treat and were very much needed in the beautiful sunny weather. Thank you to **Waitrose** and to **Marshfield Farm** for your support.

In the afternoon the children carried out a river study and worked in teams to build a dam.

The children really enjoyed their day out. Mrs Gabler and Miss Davies were very proud of the children and how they conducted themselves. **Well done** Beech Class, you did Redfield Edge proud!

Farewell and Good Luck

It is time to say goodbye to Miss Davies whose placement with us has now ended. Ellen has been teaching in Year 4, alongside Mrs Gabler, since before Christmas and also accompanied Year 6 on their residential in May. Ellen has worked hard and has been a great asset to Redfield Edge during her time here. We would like to say thank you and good luck with your new job across the bridge.

Congratulations!

From the office

Car Park

This is a polite reminder to parents that the car park should not be used for turning or dropping off at the beginning or end of the school day. Exception is given to breakfast club users where parents are permitted to use the car park at the back of the school. In this case, please be vigilant at all times as children do use this area.

Teachers to Parents APP

You can now download an APP, which will save text messages from school all in one place. This means that you will be able to delete messages that come through from the office and still keep a record of communication within your APP.

This has been trialled by a few parents in school. It is easy to download and use.

When you receive your next text, follow the link at the end and follow the simple instructions.

Dates for your diary!

DATE	EVENT	
Mon 25 th June	Kwik Cricket (Y3 and Y4)	
Tues 26 th June	Pre-School Sports Day (am)	
Wed 27 th June	Year 5 Class Taster Day @ SBL
