Week beginning 25.06.18

*'Achieving now in preparation for the future'*

## What's been happening?

### Maple Class in the News

On Friday morning, local MP, Chris Skidmore came into school along with other local council members to talk to Maple Class about the recent developments regarding the potential ramp on the cycle path.

For the past few years, Year 5 have campaigned for a ramp which will allow easier access from the cycle path to the school. Currently, those who ride or scoot to school along the cycle path, have to climb some steep steps which is not

easy or particularly safe. The children were delighted to hear that £80,000 has been awarded to the project that will be completed in the Autumn of 2019. *Well done Year 5, your persuasive writing did the trick!*

### Pre-School Sports Day

On Tuesday we welcomed around 70 pre-school children from local settings along with our new intake for September. The children took part in their very own sports day with a wide range of activities led by children from Oak Class.

The children had an enjoyable morning and we have received many compliments from parents. We also received an email thanking the Year 6 pupils for all of their hard work, their politeness and their maturity when running the activities.

We wish to thank Mrs Catlyn, from the Friends for her help with refreshments. And of course Miss Turner and Mrs Williams and Mrs Griffiths for organising the morning.  
**Mrs Robinson**

### SBL taster Day

On Wednesday Maple Class went to Sir Bernard Lovell Secondary school for a transition day. This day was organised to give the children an idea of what secondary school would be like. The children took part in a PE lesson on the astropitch, double humanities and then science in one of their many laboratories.

I've heard lots of positive feedback from the the children as well as the adults who accompanied them.

## Word of the Week

Hazel	endangered	climate
Pine	navigate	stitch
Willow	pollination	onomatopoeia
Beech	nonsense	function
Maple	integration	generation
Oak	inheritance	adaption

### For your Information

Congratulations to Mia (Y2) who won some Flip Out Vouchers for raising the most money in our recent sponsored Fun Run.  
**Well done, and Thank you Mia.**

### From the Office

As from September, a school meal will cost £2.20.

## Congratulations!
