Sports Day

Wow! What incredible weather we had!

Sports day took place on Tuesday. We started off with KS1 in the morning, enjoyed a family picnic at lunch time and then KS2 took part in their races in the afternoon. The children sat in their houses and cheered on their friends and fellow teammates.

KS1

The children all took part in a sprint race, egg and spoon, sack race and fancy dress race. Each winner was awarded 8 points, second received 7 points and so on.

We had scorers on hand to add up the points and we gave regular updates to the crowd on which team was in the lead.

It was a fantastic morning, the cloud broke up the sunny spells, the wind nearly took one of our gazebos but the children thoroughly enjoyed themselves. There was a great atmosphere throughout the morning and the event was very well supported by family and friends.

A special mention goes to the Mums and Dads who braved the track for the parents race - thank you for being great sports. I refrained from putting pictures of that race on to save any blushes!

Congratulations **100 Acre Wood** - great effort from all!

KS2

In the afternoon, the children in KS2 had their turn! The races they took part in were sprint, three legged, egg and spoon, obstacle and long distance. Unfortunately the skipping races were unable to go ahead as the ropes themselves were used to hold down the gazebos in the wind!!

The children had a great afternoon, as did the staff! We hope the parents and families enjoyed their day, we would like to thank you for all for your ongoing support.

Oak Class London Visit

On Wednesday, Oak Class went to London for a river cruise and a West End show. The children have worked hard all through the year to raise over **£2000** to fund the trip. Events such as their sponsored silence, cake sales, stalls at the Christmas Fayre and the 'Fiver' challenge have enabled the children this fantastic opportunity.

We arrived in London around lunchtime and ate our packed lunches at Jubilee Park, under the London Eye. After that we had a run around before heading to the boat. The cruiser had an open air top deck which gave us incredible sights along the river Thames and the tour guides joke made the children chuckle!

After the tour we headed to the theatre district to watch the **Lion King** at the Lyceum Theatre.

Outside the theatre, we were greeted by a cast member of the show with close family ties to some of our pupils! The production was incredible, from the costumes to the music to the setting design - the children were in awe. We sang and clapped along and were all a little sad when it came to an end.

'The Lion King was amazing, I wish I could have stayed longer.'
Tom Year 6

'It was an exciting experience for all involved' Lukas Year 6

'A truly spectacular event' Harry Year 6

Well done to the children for representing our school so well. We are glad you enjoyed it.

Scooters

It is great to see so many children riding their bikes and scooters to school. Not only does this help our environment, but also helps to keep the children active and fit.

Can we please remind all children and parents to use the scooter park for scooters and the bike shelter for bikes. Can we also remind you to ensure that bikes and scooters are put away tidily so that all children can access these areas with ease.

Hot Weather Continues

It seems that this beautiful weather is not going anywhere soon. Can we remind all parents of the importance of children having a **water bottle** in school every day. We also expect the children to bring in a **sun hat** for outdoor learning opportunities and to be wearing **sun cream** that will last them the day. In addition, due to the fine weather it is likely that the children will be taking part in extra PE sessions, learning athletic skills and playing team games. Please ensure they have a PE kit in school every day so they do not miss out. Thank you for your ongoing support.
