## What's been happening?

### Congratulations!

### Bristol Zoo Visit Beech Class

On Thursday Beech Class had a visit from Ben, who is one of the education team at Bristol Zoo. This term the children's topic is **Minibeasts**. They are learning all about living creatures and how to classify them.

This particular visit helped to consolidate the children's learning so far as well as enhance their learning with some hands on experiences.

### Oak Class Cake Sale

On Wednesday, Oak Class held the first cake sale of the year. The children worked hard creating posters to advertise their event.

*The cakes on offer looked incredible!*

Well done to the children for setting up and serving so well and thank you to those of you who bought a sweet treat.

Oak Class were able to raise a fantastic **£140!**

Well done Oak Class!

### Word of the Week

Hazel	rescue	power
Pine	castle	monarch
Willow	prehistoric	palaeolithic
Beech	embark	organism
Maple	inspirational	destruction
Oak	comprehend	prejudice

### VerticalXtreme

There was a lot of excitement around school today with each class having the opportunity to experience a vertical climb. The Friends of Redfield Edge organised for VerticalXtreme to spend the day with us as a thank you and well done to all of the children. **What a way to start the year!**

Each Class had an hour session on the climbing apparatus. The children were kitted out with safety equipment and received a safety briefing before ascending the 30 foot tower.

Each child had around 3 or 4 attempts. I was amazed at how many of them confidently reached to the top. **Well done all!** At Lunchtime, it was the turn of the staff.

A few of the teachers took part in a very competitive race!

Mr Foss also had a turn with practically the whole school chanting!

As a school we climbed the distance of both Ben Nevis and Snowdon put together. **WOW!**

### For your Information - Reminders

- Dinner money has gone up to **£2.20**
- Flu vaccination consent forms to be in by **Friday 21<sup>st</sup> Sept**

### Dates for your diary!

DATE	EVENT
Tues 18 <sup>th</sup> Sept	Welcome meeting - Y1, Y2 + Y5
