Week beginning 17th September 2018

'Achieving now in preparation for the future'

What's been happening?

Congratulations

VerticalXtreme

Below are some more photos of the fantastic experience had by the children last week thanks to the Friends of Redfield Edge and your much-appreciated donations.

We would like to thank the instructors from VerticalXtreme for their enthusiasm and patience. ***It was a great day!*** We would also like to thank Mrs Woodruff and Mrs Dean for organising the event.

Welcome to ... meetings

Thank you to all of the parents who managed to come along to our welcome meetings this week. We hope you found them useful and now have a good understanding of what your children will be learning throughout the year.

If you were unable to attend, the resources shared at the meetings will be sent home for you. Of course, if you have any questions please feel free to catch your child's class teacher at the end of the school day.

Hazel	power	kidnap
Pine	monarch	siege
Willow	palaeolithic	gorge
Beech	organism	catastrophic
Maple	destruction	region
Oak	prejudice	liberate

Ukulele Lessons for Beech Class

The children in Year 4 were extremely excited on Thursday afternoon as their 10-week block of ukulele lessons began. Learning this particular instrument was a huge success last year, with many of the class purchasing their own ukuleles and continuing to learn after the school sessions had stopped. Not only did the children enjoy learning how to play, the rest of the school, along with their families, thoroughly enjoyed watching. Good luck Beech Class, I'm already looking forward to the first concert.

Mmmm Yummy!

Cookery club is up and running again. This week the children were making sausage rolls. Cookery club is one of many clubs that take place after school run by the teaching / support staff.

If your child is interested in joining an extra curricular activity, look out for the signing up letter at the end of term or call the office and see if we have any spaces.

For your Information

Reminder

If your child is being collected by somebody other than a parent at the end of the day, it is vital that you let the school know to save any misunderstanding at home time. Simply a message left on the door in the morning or a phone call to the office will ensure a smooth transition for your child and help reduce any confusion. Thank you

Parents Evenings

If you have not yet signed up for a parent consultation meeting, we would strongly urge you to do so. This is a fantastic opportunity to see how your child has settled into their new class and ask any questions regarding their current attainment, behaviour and social interaction with their peers.

I will be available (no appointment necessary) to speak to any parents who would like to discuss SEN provision or ask any questions regarding school life.

DATE	EVENT
Tues 25 th Sept	Parents Evening 4pm - 6pm
Tues 25 th Sept	Pedestrian Training Y5
Thurs 27 th Sept	Ukulele Lessons Y4
