

What's been happening?

Safer Internet Day

This week the children have been taking part in various activities linked to staying safe when online.

Mr Monks has lead assemblies on how to use the internet appropriately for all of the children across the school and this has been followed up in classes with the key messages being taught descreetly for their age.

For your Information

We had two very special assemblies on Thursday morning. One was to say good bye to **Mrs Wallace** who has worked at Redfield Edge for nearly 20 years. The children had rehearsed a song to sing especially for her and a big bunch of flowers were presented as a thank you for all of her hard work and commitment to our school. Mrs Wallace will be missed by the children and staff and we wish her well in the future. Stay in touch!

Our second assembly was to say goodbye to **Miss Howells**, our Year 1 teacher. Miss Howells has been working with us for just over two years and is now moving on to work in a Nursery setting in Bristol. Miss Howells has shown great enthusiasm and passion for teaching whilst being here and the children and staff will miss her greatly.

We would all like to wish Miss Howells the very best of luck with her future endeavors and we hope she'll pop in and see us from time to time.

Willow Cake Sale

The children in Year 3 were very busy this week baking cakes, biscuits and a range of goodies to sell at their cake sale on Wednesday. The children not only made the tasty treats but also helped to sell them to some eager parents and friends gathered under the shelter in the playground.

The cake sale, so far, has raised a terrific £100 which the children in Year 3 and Miss Andrews can spend on anything of their choice for the classroom. A second cake sale today will add to that amount due to the number of cakes left over.

Redfield Edge v Wick - Match Report

On Fri 2nd February Redfield Edge hosted Wick Primary. Two back to back games were played and there were mixed results. Both games were closely contested. The first game ended in a 1-1 draw with chances for both sides.

The second game was again close and finished in 3-2 defeat for our school team. Despite the disappointing result, a big well done to all involved as they gave a good account of themselves in both games!

Topics for Next Term

Holly	Around the World (continued) 'Once upon a time...'
Hazel	To Infinity and Beyond
Pine	Great Fire of London
Willow	Healthy Living
Beech	Romans
Maple	Greeks
Oak	Sci-Fi (SATs prep)
