Welcome Back!

Welcome Back after a festive two weeks holiday. I hope you all had an enjoyable time with your families and your New Year has started well.

We are now in Term 3 which is already shaping up to be a busy one! We have cake sales, swimming, music tuition and class trips already planned and many other exciting experiences in the pipeline. We will of course keep you updated over the next few weeks. Keep an eye on the **Dates for your Diary** section for any changes or new additions.

What's been happening?

School Council Meeting

This week the school council members met with Mrs Williams and myself to discuss possible changes / improvements we can make to our school. The group met at the beginning of the year with lots of very interesting ideas and at the meeting this week I was able to give them the great news that they have their very own budget.

School Council Representatives

The **Friends of Redfield Edge** are very kindly donating £250 for the children to spend. It will be their job to speak with their peers to ascertain what the children of Redfield Edge would like to spend that money on. We will keep you updated.

New Water Fountain

The school council have previously expressed an interest in having an outdoor water fountain for them to use freely at break and lunch times. Due to their impressive persuasion skills, I am pleased to say that this term a water fountain will be installed!

Maple Class Off to London

The children in Year 5 headed off to London early this morning for their class trip to the Houses of Parliament. The children will have a tour of the city to see some of the key landmarks before heading to Westminster. They will then take part in a tour of the Palace of Westminster, the House of Commons and the House of Lords. The children will then have a workshop called 'Campaigning and Parliament' where they will learn about the power of voting, the different levels of parliament and have a go at creating their own campaigns in groups.

This trip is always a very popular one. Look out in next week's newsletter for photos and more information.

Word of the Week

Hazel	artefact	century
Pine	adventure	continent
Willow	ancient	embalm
Beech	chronological	properties
Oak	revive	supremacy

For your information

Beech Class Cake Sale

On Tuesday of next week, Beech Class will be holding their cake sale to raise money to buy topic based resources for their class. If you are able, please bring some loose change with you on Tuesday to support our pupils.

Using the School Drive

This is a polite reminder that parents should not be using the school drive to drop off, pick up or turn at the beginning or end of the school day. Parents with permission to use our driveway and carpark for breakfast club, are reminded to be extra vigilant as children are also using these areas at this time.

Dogs

Just to remind you that dogs of all shapes and sizes are not permitted within school grounds.

Congratulations!
