

Beech Class

Dear Parents

Welcome meetings this year have not been able to take part in the normal way due to restrictions of people coming into school and gathering in large numbers. As an alternative, teachers have put together a short presentation for you to watch at your leisure.

Please click on the **link below** or **scan the QR code** to watch the short video of your child's class teacher talking about their class routines / expectations.

If you have any questions for the class teacher following the presentation, please email them to the school office and we will endeavour to answer them as quickly as possible.
