

Risk Assessment completed by Charlie Walker

School Name: Redfield Edge Primary School Date of Risk Assessment: 13th January 2021

Description of Activity being risk assessed: - Version 6 Following national lockdown commencing 5th January 2021 and updated guidance 8th Jan

What are the hazards?	Who might be harmed and how?	What are you already doing? (as advised in LA guidance)	What further action is necessary?	Action by whom	Action by When	Action Completed
1. Spread of the virus within the school.	All staff pupils visitors to school	Parents/carers will be asked to wash hands before leaving for school. Hand sanitiser used on all pupils entering and leaving school. Staff ensure this takes place. All adults entering school required to hand sanitise. Supplies of hand sanitizer, soap and paper towels available every day. Stocks are replenished daily by caretaker and support staff. Supplies are reordered on a regular basis so the school doesn't run out.	Regular reminders to staff and parents. Stock check of sanitiser etc.	SLT remind staff in remote staff meetings. Ensure any staff covering absence and seeing children into school are following guidelines. Office Staff	Weekly Weekly	Ongoing Ongoing
2. Spread of virus	All staff, pupils and visitors to the school	Adults in school will wear face masks. Masks will either be staff's own or disposable masks provided by the school. Any cloth masks must be washed daily; only clean dry masks to be worn. Masks will be worn by adults in the following situations: - Welcoming pupils into school	Order of PPE supplies from SGlos Ensure all pods have their own PPE supply box and it is regularly checked and topped up.	Office staff to order PPE and check stock levels. Support staff to check and top up daily.	daily	Ongoing

		<ul style="list-style-type: none"> - Dismissing pupils at the end of the day - In and around communal areas; corridors, staff rooms, offices, photocopy room. <p>Adults can choose to wear masks if they want in lessons and pupil interventions.</p>	<p>SLT to remind staff regularly.</p> <p>Staff to ensure that cloth masks are washed and dried daily before use.</p> <p>Masks are to be worn correctly covering mouth and nose closely.</p>			
3. Spread of the virus within the school.	All pupils staff and visitors	<p>Safe distancing will be followed during entry to the school and supervised as much as possible.</p> <p>Children will be admitted by the supervising adult of their pod.</p> <p>Children will enter at staggered starts and separate entrances for their pod to limit contact with other pod staff and pupils.</p> <p>Only one parent/carer per family to drop off and pick up.</p>	<p>Reminder of start and pick up times to parents to ensure limited contacts.</p> <p>Regular reminders to families about limiting to one person at pick up/drop off.</p>	SLT and Headteacher updates sent out weekly by School Office.	Weekly	Ongoing
4. Spread of the virus within the school.	All pupils staff and visitors	<p>Reduction of nonessential contact with Parents</p> <p>Parents/carers asked to stay outside of school building whenever possible and any issues to be communicated by email or telephone.</p> <p>No face to face parent meetings.</p> <p>Children leaving earlier than planned will meet their parent in the school foyer.</p>	Reminder to parents of these new rules in update email on 4 th January.	Office	Completed	Yes

<p>5.Spread of the virus within the school. Pupil/Staff with Covid Symptoms</p>	<p>All pupils staff and visitors</p>	<p>Covid Suspected Case - Anyone who shows symptoms in school will be asked to move to isolated area/room.</p> <p>Public Health advice following new Covid variant and national lockdown measures additionally advise requesting parents get a test for their child showing</p> <ul style="list-style-type: none"> - Nausea - Fever symptoms - Aches/tiredness <p>Children displaying symptoms will not be sent to the School Office – they will go direct to the isolation pod. Office staff will then supervise child and wear PPE.</p> <p>Children receiving first aid will be looked after in their pod as much as possible in the first instance. E.g. a bumped head – child will sit in corner of classroom to recover rather than go to the office.</p> <p>Where a 2nd opinion needed or child needs to go home or have urgent medical attention, pupil will be brought to outside school office. Member of First Aid SLT will make a decision. Parent will be contacted to collect. First Aider to use full PPE.</p>	<p>Ensure room is available at all times. Keep contents of room to a minimum to aid cleaning process.</p> <p>Staffing rota to have named first aiders on site.</p> <p>Walkie talkies to be charged and used in pods where only one adult.</p> <p>HT/DHT to monitor numbers of suspected cases. If a large number eg. More than 2 in one pod Public Health must be informed.</p>	<p>Office to ensure walkie talkies charged.</p> <p>HT/DHT to review staff rota</p> <p>Staff to be updated in staff meetings.</p>	<p>Weekly</p>	<p>Ongoing</p>
<p>6.Spread of the virus within the school. Pupil/Staff with Covid Symptoms</p>	<p>All pupils staff and visitors</p>	<p>Covid Suspected Case -If the isolated person needs to use the bathroom then a designated bathroom must be used and bathroom to be cleaned before further use. The Disabled Toilet will be used for this purpose.</p>			<p>Ongoing</p>	

		Staff supervision for handover to ensure clear guidelines on isolating at home for pupil and family members.				
7.Spread of the virus within the school. Pupil/Staff with Covid Symptoms	All pupils staff and visitors	<p>Covid Suspected Case - Ask person/pupil to leave by the nearest external door.</p> <p>Food tech room used as designated Isolation area. This room will be kept empty at all times.</p> <p>Accessibility toilet to be used in this instance – sign to then be put up to ensure nobody else can use.</p> <p>Office staff to manage handover – front exit to be used.</p>	No further action required		Ongoing	
8.Spread of the virus within the school. Pupil/Staff with Covid Symptoms	All pupils staff and visitors	Pods of pupils and named rota of adults with those pupils for whole day which forms the basis of the contact tracing record.	<p>Maintain contact tracing register in School Office</p> <p>All changes or additional adults that are in contact with a pod for however short a period of time must be recorded on the master rota record.</p> <p>Register sheets for each pod must be retained in the office to facilitate contact tracing.</p>	Office , HT/DHT	Ongoing	All Staff
9.Spread of the virus within the school. Pupil/Staff	All pupils staff and visitors	Pods of pupils and named rota of adults with those pupils for whole day.	Positive tested adult or child sent home and isolates for 10 days	Office contact all contacts that the positive result person has had in	Ongoing	Office

with Covid Symptoms				the last 2 days to isolate for 10 days. (only in the Pod and any related adult/sibling contacts)		
10. Spread of the virus within the school.	All pupils staff and visitors	<p>Ventilation</p> <p>All Classrooms and offices have windows open a little throughout the day.</p> <p>Short 10-15minute bursts of fully open windows throughout the day (hourly where possible) ensure thorough replenishment of air.</p>	Monitoring and reminding of staff	All Staff	Daily	Ongoing
11. Spread of the virus within the school.	All pupils staff and visitors	<p>School Hygiene</p> <p>Cleaning for school has schedule. Each classroom that is used would require all equipment to be cleaned, surfaces touched to be wiped clean including door handles, tables.</p> <p>Regular stock checks of cleaning resources undertaken by caretaker.</p> <p>Deep cleans happen in every school holiday.</p> <p>Lunch break supervisors clean door handles, light switches, sinks and toilets at lunchtime daily.</p> <p>Additional cleaning team tasks</p> <p>Weekly steam cleaning of sinks and toilets throughout school.</p> <p>No sharing of equipment. Pupils to have that own resource pack for their</p>	<p>Ensure stocks of cleaning materials are maintained.</p> <p>All equipment used in classrooms must be easily wipeable. E.g. Not lots of small parts.</p> <p>Ensure that no equipment is shared between pods. If resources are shared they need 72hr gap and to have a wipe down with antibac.</p>	Pupil packs made – all labelled and situated in personal spaces	Weekly	Ongoing

		use including pencil, whiteboard, pen, rubber.				
12.Spread of the Virus	EYFS pupils (less distancing and more tactile)	<p>Pupils are learning by making their own 'how I can be safe' posters.</p> <p>Reminders to parents and pupils to only bring coat, drink and lunch to school – to limit items.</p> <p>No additional items e.g. reading books/ paperwork going home with child.</p> <p>The pod of 15 is being separated into two bubbles within the class to reduce contact time where possible.</p> <p><u>Carpet time</u></p> <p>Children are encouraged to keep enough space between each other to prevent touching. Children always sit in the same carpet space.</p> <p><u>Outdoor Learning</u></p> <p>Outdoor area is accessible and used frequently as it provides good ventilation. Only resources that can be easily cleaned are kept in the outdoor learning area.</p> <p>All unnecessary items are removed from EYFS classroom e.g. soft furnishings, soft toys. Resources are cleaned on a weekly basis with childfriendly disinfectant and left out overnight midweek to dry.</p>	No additional action required	EYFS Leaders and Teaching Assistants	Starting from 11/1/2021	Ongoing

		Children have their own named resource packs to use so they are not sharing equipment.				
13.Anxiety	EYFS pupils (less distancing and more tactile)	Children are not restricted in movement (like older children). They have lots of opportunities to move around to play and learn, rather than sitting at a table.	No additional action required	EYFS Leaders and Teaching Assistants	Starting from 11/1/2021	Ongoing
14.Spread of the Virus	All Pupils	<p>Outbreak Handling</p> <p>Reducing the impact and spread of an outbreak. All staff to be aware of procedure for a suspected case and confirmed case.</p> <p>Scenario flow chart from LA available in the Office and Staff room.</p> <p>Outbreak management team: Head teacher, School Office, SLT</p>	Ensure latest scenario flow chart is available to all staff	SBM, HT/DHT	Immediately	Complete
