

Staggered Start and End of the Day

Monday 8th March

We have tried to ensure pupils can enter the school building and leave at the end of the day in complete safety, without mixing Pods and without impacting too much on their learning time in school.

We have, previously, had a number of parents in school concerned about the lack of social distancing at the beginning and end of the day and wish to remind parents to spread out and leave the school premises as soon as they can.

Please read carefully as there have been some changes from before Christmas.

We wish to thank you for your continued support during this unusual time. Feedback is always appreciated and if you have any questions, please feel free to contact the school office.

Please can there be one parent only at drop off and collection.

Parents to wear face coverings at drop off/collection

Please arrive at school on time so that other Pods are not impacted.

Keep pre-school siblings / siblings close, they should stay clear of other families and be supervised at all times.

Once you have collected your child, please leave promptly to make room for other parents.
