

# The Friends of Redfield Edge

Registered Charity No 1030585 May 2021

## Hello from the Friends!

In April the Friends held our PTA meeting with Mrs Robinson to go through list of items that the school felt would really benefit the children of Redfield Edge. During the meeting all members of the PTA were able to vote on items that they felt would enhance our children's experiences and education at school, whilst also ensuring that we use all money raised effectively, ensuring accountability to the parents.

### Items that have been agreed by the PTA:

- A new sound system in the hall to be used for assemblies and school productions
- Play shed equipment and storage boxes
- Computer headphones to be used by the children to support their learning

Please do look out for the next meeting date, it is always great to have new people get stuck in and help make our school an amazing place for our children.

## School tea towels

Friday 28th May is the last day you can order a school tea towel. All children were asked to draw their own self-image to be included on the tea towel design. Why not order one? Only £5 each. Ideal for a gift for a family member, yourself, or for your child's memory box.

Towels will be available for collection before the summer break, details for collection will be sent out in due course.

Special thanks to Emma Thomson and Carrie Whiston for organising.

## Krispy Kremes

Thank you to Kate Moate for organising the Krispy Kremes Doughnut sale. We have had a fantastic uptake of orders! 54 delicious boxes of loveliness will be making their way for collection this Friday from 3pm. Doughnuts will be distributed by class group. You will need to confirm your child's name upon collection. Thank you to the volunteers from each class group for distributing the boxes.

## Edgelets

Edgelets is a lovely and relaxed morning whereby children that are due to start school in September come along with their parents or carer to have some fun, look around the school and see what a fantastic place it is. A big thank you to Carmen Russell, Carrie Whiston, Louise Purvis for volunteering to help with the sessions in June and July.
