

What are Willow Class learning in Term 6?

English (Class Read - The Land of Roar - Jenny McLachlan)

Fiction: First Person Narrative - 'Taking Flight' - The Literacy Shed - <https://www.literacyshed.com/takingflight.html>

Poetry: Simple Poetry - 'The Magic Box' - Kit Wright

Non-Fiction: Information text revising topics taught throughout year 3 (Stone Age, Chocolate, Titanic, Ancient Egyptians)

Guided Reading - Individual and group support - Reading assessment (Tuesday 14th June)

Maths

Fractions - Fractions of an amount/Revise equivalent fractions

Revision - Length, Area and Perimeter

Assessments (week commencing 13th and 20th June)

Geography (Cross-curricular DT)

Local Area study: Children to take part in a local area walk to explore features of the local area and use these in mapping activities.

National comparison: Children to explore the country of Spain and compare this to the UK (London and Madrid focus)

Atlas Work: Revision of countries/counties studied so far
Country of the Term: New Zealand

(DT) Seasonality

Start to know when, where and how food is grown (such as herbs, tomatoes and strawberries) in the UK, Europe and the wider world and use these in a prepared dish

Art/DT

Sewing: Practice a range of stitches and use these in a product
Fruit and Vegetables: Children to use grown produce to create their own salad. Children will use garden grown strawberries to make their own jam and market it to an audience.

Focus Artist:

Anni Elbers

Children to practice their sewing skills and work towards creating a keepsake using stitches around a simple design
Children will be encouraged to reflect and evaluate their designs.

Where will we go next?

Music:

How is music around us in the everyday?
How is nature represented through music?

PSHE

Jigsaw: Changing me
Children will explore changes from birth and recognise the changes both male and female's experience as they grow up.

Discovery RE:

What is the best way for a Sikh to show commitment to God?

PE:

Invasion Games - Football
Athletics - Preparation for Sports Day (Thurs 5th July)
Friday Mile

Computing

Developing branching databases to answer questions

Using media to market/advertise a product

French:

Easy MFL: Unit 6
Counting to 40
Recognising items of food and drink
Say how much an item of food or drink is.

Additional: If you are interested in helping the class with reading then please feel free to contact the school office or Mr. Manks to arrange an appropriate time.
